

MR. FUR FACE CONTEST RULES AND SPECIFICS

IN BEARDS:

The Beard Contest begins at 7:00 PM in the category order listed below, beginning with Brown Bear and ending with the Alaskan Whaler. The first place winner of each category will vie for the title of Mr. Fur Face. ****Note:** Specific times for judging of each category have been eliminated and judging will be on going. Since it is difficult to know the number of contestants of each category, judging will simply progress in that as one category ends, the next will be called. MC's will do their best to keep everyone informed, but it is up to the contestants to be where they can see or hear when it is time to be on hand.

Contestants will line up on the beside the stage behind the Sign Carrier holding the sign for their category and follow said Sign Carrier past the judges for review. The judging for beards is done on "individual" entries in separate categories. A First and Second place prize will be awarded in each category. The FIRST place winners in each category will compete for the prized GRAND Beard of the night, the **"MR. FUR FACE TITLE"** and will be crowned by the President of the Miners and Trappers, Inc or his/her designee.
